

## STEP TWO: CONFIRMING FOR AN EVENT

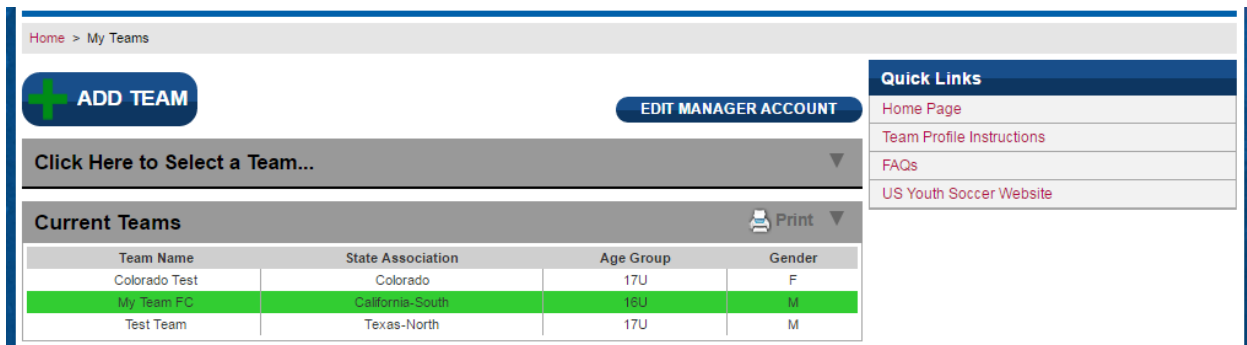

Once your Team Profile and Player Pool are complete, you will wait for a confirmation email that your team has been placed in the event, and to finalize the process. After receiving this email, you will log in and complete any event specific information, including your **Event Roster**. To designate your Event Roster, you will select players from your **Player Pool** to compete in the event.

Note – after your team has been moved into an event, log in to your team profile and go to your schedule to confirm.

The page to get back to your information is here:

<http://tournaments.usyouthsoccer.org/members/login.aspx>

Once you log in, go to **My Teams**. Here, you will be able to select the team you wish to manage from the dropdown menu.

After completing your event roster, proceed with the rest of the event forms.

**NOTE: one or more of the three additional forms may not appear if they are not selected as required fields for an event.**

**BENCH PASSES** – If bench passes appear as an option for your event, you can click the button to fill out your bench pass form. The form should **include all non-players (such as coaches, team managers & trainers)** who will be in the bench area during the competition.

**HOTEL INFO** – If hotel info appears as an option for your event, click the button to fill out the form.  
*(If your team is local to the event and not staying in a hotel, please enter 'Home' in these fields.)*

**CODE OF CONDUCT** – If code of conduct appears as an option for your event, click the button to access it and accept the terms.

When your event roster and the above forms (if applicable) are filled out, you can click the green **CONFIRM** button.
